

Dual Enrollment Agreement

Columbia International University, 7435 Monticello Road, Columbia, SC
Ben Lippen School, 7401 Monticello Road, Columbia, SC

*Affirmed: March 2024
To Be Reviewed: March 2025*

PURPOSE: The purpose of this Dual Enrollment Agreement (DEA) is to establish the terms and conditions under which the Ben Lippen School (BLS) will function in relation to Columbia International University (CIU) in the 2024-2025 academic year.

While BLS is a ministry within CIU so not considered a separate educational site, this agreement serves to outline the specific partnership relationship in facilitating dual enrollment for BLS students.

This agreement will allow approved CIU courses to be taught on the BLS campus and by BLS faculty who have been approved by CIU to instruct approved college-level courses. BLS students enrolling in these courses will earn a grade on the permanent CIU transcript as well as the BLS transcript. These courses have been approved as having equivalent course content, learning objectives, outcomes, and assignments to the regular CIU course.

COMPATABILITY OF INSTITUTIONAL MISSION: The mission of CIU is to educate people from a biblical worldview to impact the nations with the message of Christ. This mission is encapsulated in the motto "To know Him and to make Him known."

As a ministry of CIU, Ben Lippen School exists to glorify God by educating students from a biblical worldview to impact the nations with the message of Christ and by assisting the family and church in equipping students spiritually, academically, socially, and physically under the Lordship of Jesus Christ.

At CIU, the educational unit that will implement this agreement is the College of Arts and Sciences.
