

COORDINATORS MODULE • QUIZ

Consolidation

For each mini-scenario below, indicate whether the complaints are appropriate for consolidation.

Consolidation Pop Quiz

QUIZ

Student A alleges that Student B sexually assaulted her. Student B says it was the other way around, and Student A is the one who committed sexual assault.

Five students on a band trip allege that they were sexually hazed by the band president while on the bus.

Student alleges that during a football game, he was lured under the bleachers by his suitemate, then groped, slapped, and subjected to anti-gay slurs by three of the suitemate's friends.

Two students allege that in separate private conversations with the same professor, each of them was made to feel uncomfortable and offered opportunities to boost their grades if they went to the professor's lake house for the weekend.

Consolidation Pop Quiz

Student A alleges that Student B sexually assaulted her. Student B says it was the other way around, and Student A is the one who committed sexual assault.
